

Agric

AGRICULTURAL COMMITTEE

Vision Statement

Vision Agricultural policies and enterprises as an investment strategy for financial sustainability of the Diocese.

—

Mission Strategy

- Establishment of large scale farming in selected Agricultural zones of the Diocese.
- Adopt the Malaysian model of Agriculture by generating Agricultural output and creating jobs by means of small scale Agro-based outfits.
- Enlist partners such as government and international agencies for the implementation of our vision

Existing Agricultural Establishments

1. Modern Piggery with 2 blocks capable of stocking 180 sows and boars and double that number of piglets.
2. Modern maize farm with a tractor
3. Modern poultry by the Women Ministry
4. A modern plantain plantation in the drawing board
