

Home

Welcome to the website of the Diocese of Nsukka Anglican Communion.

Our site is designed to help you discover more about our Diocese, the ministry and work we are engaged with in keeping with our vision and mission of “the way forward” in the Diocese. We also want to use this medium to reach lives of many with the gospel of salvation of our Lord Jesus Christ. You may also connect with us on twitter or facebook as well as on our contact page and we will be happy to communicate with you. Our hope is that you will become a regular visitor to the site. Thanks and God bless you.
